Custom Website Development and Programming

How can I serve you?

Checkout my website development [workflow](#).

Code Examples

```
(defun r (alist)
  (when alist ; not NIL
    (cond ((equal (length (car alist)) 1)
           (append (list (lookup (car alist))) (r (cdr alist))))
          (t
           (append (list (r (car alist))) (r (cdr alist)))))))
```

```
{
  "dt": "2019-02-04T12:23:34Z",
  "level": "info",
  "message": "Completed 200 OK in 79ms (Views: 78.8ms | ActiveRecord: 0.0ms)",
  "context": {
    "host": "34.235.155.83",
    "user_id": 5,
    "path": "/welcome",
    "method": "GET"
  },
  "http_response_sent": {
    "status": 200,
    "duration_ms": 79.0,
    "view_ms": 78.8,
    "active_record_ms": 0.0
  }
}
```

My Availability

- If available, anything but mornings with exception
- Whatever is fair for payment

Contact

- [248]123[991]]321[4849] (txt James)
- butlerprograms@gmail.com
- Utica, MI 48317

Hiring a Helper

- Must be able to pair.
 - Must pass a pair challenge (a bag of chips and 2 litre of pop is provided).
 - Must be able to meet in person occasionally.
-
